The University of Sheffield International Faculty, CITY College

The University of Sheffield International Faculty, CITY College is located in Thessaloniki, Greece. Bridging the UK with the South East and Eastern Europe region, the International Faculty gives the unique opportunity to students to study for the top class British degree of the University of Sheffield in their region.

CITY College is the 6th faculty of the British University, the only one located overseas and it is an integral part of the University. It is the first time for a College outside the UK to become 'Faculty' of a British University. This development is unique for the international academic standards. CITY's operation status is the result and reward of a long-standing and exceptionally successful cooperation between the two institutions on delivering quality higher education not only in Greece but also in the broad region of SE and Eastern Europe.

CITY offers a range of undergraduate (Bachelors'), postgraduate (Masters') courses in the fields of Business studies, Computer Science and Psychology in its campus in Greece, leading to a University of Sheffield degree. It also offers the prestigious Executive MBA programme, an innovative programme designed for today's business professionals who need to improve their skills and knowledge without having to interrupt their career. The Executive MBA programme is offered in Greece, Serbia, Romania, Ukraine, Turkey and will soon expand its operations to new countries.

CITY's lively academic community comprises of students and highly qualified faculty members from more than 15 countries. This unique mixture of cultures and mindsets adds even more to the overall CITY/Sheffield learning experience making CITY a unique international institution.

Accredited and Recognized by top class international bodies

CITY College not only claims for exceptional quality but invites regularly external and independent bodies to verify it. It is been accredited and recognized by the Quality Assurance Agency, the British Accreditation Council (BAC), the Association of MBAs (AMBA), the Chartered Management Institute (CMI), the British Computer Society (BCS) and the National Academic Recognition Information Centre UK (NARIC).

CITY College Psychology BSc graduates are eligible to seek graduate membership (MBPsS) of the British Psychological Society (BPS).

Why choose CITY

The University Of Sheffield.

CITY College
An International Faculty Of The University.

University of the Year

The University of Sheffield has been named UK University of the Year in the 2011 Times Higher Education Awards.

A University of Sheffield Degree

CITY College is the 6th academic faculty of the University of Sheffield, UK and the only one located overseas. All Bachelors', Masters' and PhD degrees are awarded directly from the University of Sheffield, one of the leading Universities in Europe and the world.

Accredited and Recognized by top class international bodies

CITY is been accredited and recognized by the QAA, BAC, AMBA, CMI, BCS and UK NARIC.

Excellent Academic Staff

CITY 's academic staff are employed full time and the vast majority (70%) hold a PhD degree. All the academic staff have extensive teaching and professional experience and carry out substantial research work.

A Rich Research Environment

CITY is strongly committed to research and heartily encourages and supports the staff to promote their research and publication activities as well as to supervise the research work of the students and the PhDs candidates. CITY College and the University of Sheffield have jointly established in Thessaloniki the South East Research Centre.

Strong links with the Industry

CITY maintains strong links with the industry and the professions, keeping thus its courses, its academic staff and its students updated in vital scientific as well as professional developments.

A Unique Career Record

According to the annual Careers Office survey all the graduates are employed within a short period after their graduation in a wide variety of companies, organizations and services.

A City Centre Campus

CITY is housed in 3 impressive buildings in the centre of the city and offers the students access to numerous facilities, such as the state-of-the-art Information & Learning Commons (ILC), the well-equipped PC laboratories, the Student's Hall, the Auditorium and sports facilities.

Thessaloniki:

A Beautiful Mediterranean city

CITY students study and live in a very vivid, easy to walk, Mediterranean city located next to the sea. The city itself has a strong historical background with many opportunities to easy escapes to its surroundings, other Greek cities or neighbouring SE countries. Since it hosts the largest number of students in Greece it has the supportive infrastructure to provide for the student life of your dreams.

Student life

Life at CITY goes far beyond classrooms, essays and exams. Student clubs and societies, parties, excursions and events are only some of the activities a CITY student will have the chance to experience while studying at CITY.
